Halcyon Blue

© Halcyon Blue by Val Harding

Brainchild of designer Val Harding, Halcyon Blue products include hand and nail cream, foot gel and exfoliating facial scrub, and feature natural botanical oils such as bergamot, peppermint, mandarin, grapefruit and avocado oils. They recently made their American debut as a luxurious in-room amenity set at the Bel-Air Hotel in Los Angeles. Conveniently, the in-room units are typically 2.9 ounces or less—the perfect size to skirt the TSA's three-ounce rule.
